Dear Pantego Resident,

Re: Pantego Gift Card Program

As detailed in a letter sent to you dated July 31, 2020, the Town of Pantego and the Pantego Economic Development Corporation understand the impact of the last four months on both our residents and businesses. To assist, the Town Council and PEDC Board of Directors have unanimously approved the Pantego Gift Card program.

What is the Pantego Gift Card Program?

Included with this letter is a \$30 gift card that is being provided to every residence in the Town, based on active residential utility accounts. ***Treat this card like it is cash.*** To use the card, simply take it to a participating business on or before August 25, and the card will be accepted for payment. An updated list of confirmed participating businesses is included with this letter, and will also be available on the Shop Pantego website (www.shoppantego.com) along with more details about the program.

Some key notes and dates:

- No Minimum purchase required;
- As soon as you receive your card in the mail, it will be valid at any participating Pantego business through August 25;
- Card must be used by August 25, 2020;
- Card can only be used once and is not redeemable for cash;
- Change will not be provided for purchases below \$30.

To each and every one of our residents and businesses, I'd like to reiterate my gratitude to you for your dedication and sense of community during this crisis. Town staff remains ready to assist with any questions you may have regarding this program.
